Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Phase III of the Town of Berlin's Public Safety Radio Project in fiscal year 2024. The entity to receive funding for this project is Town of Berlin, located at 23 Linden Street, Berlin MA 01503. The funding would be used to improve public safety radio communications in the Town of Berlin. The project is an appropriate use of taxpayer funds because the current public safety equipment is obsolete and failing. Because Berlin is a rural, heavily wooded community, lives depend on the reliability of the Town's radio systems during emergencies rendering this project a critical use of taxpayer funds.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan". The signature is fluid and cursive.
